LEGAL PROCUREMENT TIP SERIES

Legal Procurement Tip – Company Marks

Protecting your company's name, logo and mark ("Company Marks") from unauthorized use should always be a priority when drafting an agreement. Including a provision in the agreement that limits the use of your Company Marks in any advertising or promotional literature without your company's prior written permission can protect unauthorized use by vendors. To learn more, please contact The Flowers Counsel Group LLC at 866.656.7370
